Mohamed Rafi

Full Stack Developer

I am a MERN stack web developer with high passion and hard work. My strength is my anxiety to gain knowledge and research on my domain so I am pretty much confident about my knowledge in JavaScript, Node.js, React.js, MongoDB, HTML, CSS, Redux, Nginx, PostgreSQL, and data structures and algorithms. I have worked with multiple projects like the Room Booking application, Incubation management,Marketplace application, Social media platform that is going on.
